The Rector Writes (or rather he tells a story)

No letter as such this month, however I did come across this simple story, with a good message at the end. Please take some time to read the story and reflect upon it.

Once upon a time, when the world was at peace with itself and people and animals could still talk to each other without fear of being taken home and eaten with chips, there lived in a big castle a beautiful princess. The princess was lonely for she had nobody to play with and had not yet met the prince who would one day win her hand in marriage.

One sunny day the princess, feeling bored, went out of the castle for a walk. As she strolled down the hill she met a friendly sparrow. "Good morning, what a lovely day it is," they said to each other.

"Where are you going?" said the sparrow. "Oh, just for a walk to the river." replied the princess. "Might I come along with you?" said the sparrow. "Please do," said the princess. So off they went, hand in wing, down to the river.

When they arrived they met an ugly toad who was very upset. "Why are you crying?" asked the princess and the sparrow. The ugly toad felt better when he saw the beautiful princess. "I am upset because a wicked branch has floated down the river and carried away my favourite lily pad. Look, you can still see it."

They looked, and saw the wicked branch resting down river a few feet from the bank. "I think I can rescue your lily pad," said the princess, "Follow me". Off they ran, hopped and slithered to where the branch lay, and while the toad and the sparrow watched, the princess leaned over to grab the lily pad. But she could not reach it. Seeing the toad despair, she tried once more, and, sure enough, fell into the water.

"Help, I'm drowning," she glugged. The sparrow flapped its wings and twittered and generally acted useless, but the ugly toad saw his chance. He leapt into the swirling waters of the river, and with supertoadal strength, hauled the princess and the lily pad to safety.

"I owe you my life, dear toad," said the princess, and she bent down and kissed him.

"Yuk!" said the princess, for the ugly toad was disgustingly slimy.

But suddenly, before her very eyes, a remarkable thing happened. The ugly toad didn't turn into a handsome prince (that only happens in fairy stories) he turned into an extremely **happy** ugly toad. And they all went home and had a party to celebrate, because they all learned that happiness is in using the gifts we have already been given and not wishing we were somebody else.

June marks the start of judging of our village for the Lancashire Best Kept Village Competition. Well-presented properties, be they private or business, help tremendously to enhance the village, so we ask you all to make a special effort to keep our village looking tidy, litter free and attractive.

Last year Halsall won the Best Kept Village Competition for medium sized villages. This year we are entered into the Champion Class so competition will be even more stiff, but we can only do our best and give it a go!

If you can offer help such as watering the planters and baskets, or looking after a particular area over the summer, then please let us know.

Our little team cannot manage to get round everywhere so any help at all will be greatly appreciated!

Halsall Football Club

Liverpool County FA Sunday Junior Cup Winners 2014

On Sunday 27th April 2014 Halsall FC won the Liverpool FA Sunday Junior Cup

Halsall 2 – 1 Kennelwood

It was a hard fought victory against a very good Kennelwood side who have been unbeaten in their league matches since December 2012.

The whole game was close with both sides having chances before Kennelwood took the lead 15 minutes before half-time.

The score stayed the same into the second half, but we never gave up and kept playing our football, knowing a chance would come and it did 15 minutes from time. Man of the Match Ben Proud scoring the equaliser. With 10 minutes left Dan Viquerat, who has been out injured for the last couple of months, was brought on and with his first touch scored the winning goal with only a few minutes left.

Kennelwood pressed for an equaliser and had their chance, but a fine save from Jordan Budgen kept them out.

It was a fantastic performance from the team, all of whom played their part and it was a thoroughly deserved victory, they never let their heads drop and kept on going right to the end.

I would also on behalf of the team and club like to thank all the local people who came to support us on the day. It was great for the team to have so much support.

With 2 games left to play in the league, we need one win to secure the league title. Hopefully by the time Halsall News is published we will have accomplished this goal.

Yours in football,
Paul Williams

Halsall St Cuthbert's Primary School : June

General

The staff are busy administering tests and assessing pupils' learning, ready to devise the new lists and the class structure for September 2014.

We never like to split year groups but due to legal restrictions, we sometimes have no option. Whenever that is the case, we use our comprehensive bank of assessments and our professional judgement.

Admissions

Twenty new pupils are due to start school in September 14. Several parents have decided to go to Appeal and extra children will be admitted if they are successful in their appeals.

If parents/carers are keen for their children to start Halsall St Cuthbert's in September 2015 and would like to increase their chances of gaining a place, it would be prudent to read the School's Admissions Policy. Criteria 3, 4 and 5 concerning faith commitment.

Evidence of this is measured at 2 levels :

- *Attendance twice monthly (fortnightly) for the 12 months period to March 2015.*
- *Attendance monthly for the 12 months period to March 2015*

Staffing

As you will be aware, Mrs Mentha retires at the end of the summer term after over 30 years at the school.

Our new reception class teacher will be Claire Leggett, a recently qualified early - years specialist, presently teaching in Crosby. I'm sure that she'll have many successful years at Halsall and will enjoy being an important member of the school team.

Outdoor Pursuits Weekend

A party of year 4 and year 5 children went to the Kingswood Centre in Derbyshire recently. They had a absolutely fabulous time.

After 2 days of zip wiring, Canadian canoeing in a hurricane on a reservoir, archery, assault courses, lazar tagging and discoing, the children needed a well-earned rest. And there was certainly lots of cleaning and washing to do when they arrived home!

They've been busy reporting on their adventures for the school display. (there should also be photos on the school website)

Many thanks must go to Miss Hampson, Mrs Neale and Miss Carney (student) who once again gave up their weekends to accompany Mrs Floweth (organiser) and myself on the trip.

Skegness

A party of 35 upper junior pupils will be setting off in mid-June, for a week's adventures in Skegness. (north Lincolnshire coast)

They'll be visiting a seal sanctuary, an amusement park, a Wildlife Park and spending a day at Butlins Holiday Camp. They're going to have a ball! Let's pray for a week of nice, sunny weather so we can get down to the beach in the evenings.

Accompanying the children this year, we have Miss Hamspon, Mrs Neale, Mrs Tyas, Mr Robinson and myself. What dedication!

Strawberry Teas

The children will be performing at the Strawberry Teas Afternoon on Thursday 19th June from about 2-30pm. Doors will open at 2-00pm. Please come along if you can.

The school's PTFA will be providing a range of wonderful refreshments. It should be lovely.

Family Fun Night (*Friday 20th June 6-00pm onwards*)

Last year was a fabulous night when we were blessed with lovely, sunny weather. There was a BBQ, music, football, netball and rounders. There's lots for everyone.

This is free event organised by staff to say thank you to the parents/carers for all their support through the year.

Gardener`s Corner

June at-a-glance

June is the month when the weather improves in leaps and bounds and so does the garden. Summer flowers make their first appearance; roses are in full bloom and powerful with scent. There`s still lots to keep on top off in June – but don`t forget to leave time to sit and enjoy the view.

Happy gardening.
