A word or two from your new editor in waiting...

Why take on the role of editor of the Halsall magazine?

It goes without saying that the right answer would be...it will keep the magazine going, as it plays an important role in our community by informing everyone of upcoming events and helps to promote local businesses etc. My simple answer is that I wanted to be selfish. Selfish in that, with having just recently moved my family (wife Claire and daughter Rachel—who has just started at the outstanding Halsall School) and my design for print business, it would give me the opportunity to get to know and work with people in the local community on a personal and professional front and for the first time in my life to give something back.

So far, speaking for myself, we have been made to feel very welcome and like any good thing I would like more of the same. Of course, taking on the role of editor scares the hell out of me, but my experience of being in the design industry for the past 20+ years will hopefully stand me in good stead. I hope, in time, to introduce new ideas and designs to the 'Halsall News'. I recognise that I won't be able to please my community all of the time, but as Susan Jeffers (internationally renowned author) once said...'feel the fear and do it anyway...'

I look forward to the opportunity to meeting you one day... perhaps in our beautiful church, outside the school gates or walking along the canal.

Public appeal to fund the repairs to the Church Spire.

St Cuthberts Church is a Grade 1 listed building dating back to the 14th Century, although records suggest that a church building was probably on this site from the 12th Century onwards. Grade 1 listed buildings are buildings of exceptional interest, sometimes considered to be of international importance and only 2.5% of listed buildings are Grade 1.

This beautiful building at the heart of our village is special. Yes, its listed status reflects its historical and architectural importance but to those of us who live, and have lived, in this village it is much more than that and we have a responsibility to look after it for future generations.

Those who visit the church and churchyard will notice that we have spent time and money over this last few years improving the grounds and keeping the church in good order. This has been achieved through the wonderful efforts of volunteers and restricted donations.

Unfortunately over this last year we discovered a significant problem with the church spire and due to the dangers that this presented the Parochial Church Council (PCC) organised temporary repairs. We now need to put in place the long term solution which requires bringing part of the spire down to enable the installation of a new tie rod and re-building at a cost that is likely to be in excess of £15,000.

The Church's annual running costs are in excess of £50,000 and the income that comes from the local community underpins those costs. We could not remain open without this support. Over the last three years we have had to use dwindling reserves to prop up these running costs and know that we are likely to have to continue to do so. It is for this reason that the PCC have agreed to launch an appeal to raise the funds needed to carry out the repairs.

The PCC has already begun some fundraising events for next year and all ideas or contributions for creative ways of raising some funds will be welcomed!

We hope to install an appeal thermometer in the churchyard so that we can all see how the appeal is progressing.

Please also watch this space for news and please do consider what you may be able to give, whether it is time or money, to support the appeal.

Paul
The Rector

Colin
The Treasurer.

What's Going On at Halsall St Cuthbert's?

General

- We have 153 pupils on-roll at present and all of the classes are full. The children are now settled back into the routine and looking forward to all the wonderful and exciting events that we have planned for them.

Our new Teaching Assistant staff, Mrs Green and Mrs Wilson in Class M and Mrs McElhinney in Class C are relishing their new challenges. I'm sure that they'll become great assets to the school in the years to come.

Admissions September 2014

Parents/carers will soon be completing forms to apply for a place for their child starting in September 2014. Again, demand for places is likely to be very strong.

The school adheres to strict Admissions Criteria when ranking applications. The importance of a faith reference cannot be underestimated. For further clarification, please refer to the school's Admissions Criteria. (LEA booklet, LEA online or on the school website or information board)

Buildings and Grounds

- We're soon to have all the playground floodlights installed and some new shed storage for both the PTFA and the Kidz Club.
- The school hall is soon to undergo refurbishment through re-decoration of the walls, new curtains etc. It should look fabulous.
- New flooring for classrooms.

Sports Opportunities

As always, we try to offer a broad range of extra-curricular and sporting activities throughout the week. This autumn term, we have a Netball Club, Multi-Sports Club, Swimming, Tag Rugby, Football Club, Hockey, Dance/ Drama, Cross Country etc. This should tire them all out and keep them all fit!

Heartbeat of the Community

The school, parish centre and church are certainly at the heartbeat of the local community.

The school premises and centre continue to play host to a wide range of activities such as the Learning Tree Nursery, a Kidz Club, a badminton club, the scouts, the beavers group, an archery club, the Sunshine Club, various church related events and fairs, weddings, caravan rallies, a football club, charity music rehearsals and PTFA functions.

Next year, we already have 3 caravan rallies booked, a wedding and special

Next year, we already have 3 caravan rallies booked, a wedding and special Ladies' and Gent's nights. It keeps us very busy!

If there is a group that would like to use the school premises, please contact us as soon as possible.

HEARSTART and Defibrillator Training

We now have a defibrillator located on the school wall facing the main road. The school recently organised some HEARTSTART training sessions, which included defibrillator use. These were normally 2 ½ hours sessions and were open to all members of the school community. They were very well attended.

PTFA - Halsall Bonfire and Firework Night

As usual, the PTFA Bonfire Night is timetabled for the 5th November. (Tuesday)

It should be a great event and hopefully, many of our local community groups will have the opportunity to raise much-needed funds.

If the church or any local groups would like to raise funds on the night, please contact school and let us know. There may be some catering opportunities.

Also and very importantly, if there is anyone that can help with the parking and allow the PTFA the use of a nearby field or a car park for a few hours, please let us know. It would be gratefully appreciated. Parking is always a concern and we are trying to minimise congestion on that night, as much as possible.

Harvest Service

The Harvest Service was another lovely event in the church calendar and the children once again, were a credit to the school and their parents. As always, the church looked fabulous and so a big thank you is richly deserved, for all the people who donated flowers/fruit etc and helped to arrange it so beautifully.

Halsall Community Shop/Hub

For most villages a shop is a vital lifeline and for some people, especially those without transport, it is an important connection with the world beyond their front door. It is a meeting place, communication centre and an important lynchpin of village life. Much of the appeal of our village rests on its sense of community. It is the reason many people have moved here and remain here. A community shop puts all its profits back into the shop and the local community. The aim of our shop will be to support local producers, farmers and other businesses .

Do you feel the presence of a shop would enhance our community spirit ?

A questionnaire is the first step. We need to know your views on what might be provided and what would receive your support. Over the following week we intend to deliver a survey to every house within the Halsall Parish. Please be as honest and realistic as possible in your answers. Your response will be treated in confidence. It is entirely anonymous, unless you wish to add your name at the end.

This kind of venture has been successfully achieved in other villages. There are currently over 300 community owned shops in England, Scotland and Wales and most of these have been set up with the support of the charity Plunkett Foundation

Will our village be the next one?

Please visit www.plunkett.co.uk for more info about Community Shops

Our Reader Mr David Walker Writes:

National Memorial Arboretum - The past is the key to the future

The National Memorial Arboretum is the UK's year-round centre of Remembrance. It is situated in Staffordshire and opened its doors to the public in May 2001. It is a spiritually uplifting place which honours the fallen and recognises both their service and sacrifice.

Sited in the heart of the Nation, with 50,000 maturing trees and over 200 memorials, it is a beautiful and lasting tribute to those who serve their country or who have died in conflict.

The Arboretum was developed on land reclaimed after quarrying and stands close to the new national forest. This reclamation and new life constitutes a remarkably symbolic foundation for a place where remembrance and new understandings complement one another. The memorial Shot at Dawn, located so it is the first place to be touched by the dawn light, commemorates 300 soldiers shot for desertion or cowardice. Many were under the legal age for serving and others were sick with shell shock. In 2006 a mass pardon of those executed in this way was given, and the memorial embodies the regrets of a nation while celebrating the development of new understanding.

In the chapel is a wood carving of children gathered around a storyteller, just like the children in the bible who gathered around Jesus. Various adults listen in. On the front, are engraved the words, 'The past is the key to the future.'

At this time of year when we remember those who died in conflict let us thank God for their courage and sacrifice and commit ourselves to working towards justice and peace for all.

(Continued)

Lest We Forget.

Let me finish with a prayer in which I invite you all to share :

As one family, we reflect on the horrors of the past that continue to haunt humanity and darken our world.

Where pain still overwhelms, bring healing.

Where hearts are still breaking, bring comfort.

Where peoples are still oppressed, bring liberation.

Where communities are still victimised, bring justice.

Where children are still brutalised, bring compassion.

Where lives are still crushed, bring hope.

Where evil is perpetrated, bring repentance.

Where war still devastates, bring peace.

But most of all,

wherever a single voice cries out in the darkness,

bring us to one another ,

in the name of the love you bear in your heart for all people,

all nations and all creation.

Amen.

With love in Christ our Lord and source of true peace
