| Wednesday 18 th February | 10.00am | St Cuthbert's Church |
| | 7.30pm | St Thomas' Church |
| <i>(There will be the opportunity for the Imposition of Ashes at both these services)</i> | | |
| Wednesday 25 th February | 10.00am | St Thomas' Church |

This is an important day in the Life of all Christians. Both the Book of Common Prayer and Common Worship remind us that Ash Wednesday is a Holy Day - a day when all Christian people should gather to worship the Lord.

On Ash Wednesday there is the opportunity to receive the 'Imposition of Ashes' on your forehead.

What does this mean?

Well very simply at a point in the service - and it is optional - you are invited to come up to the altar rail and receive the cross - the sign of Jesus on your forehead. This is a symbolic gesture that reminds us of certain things:-

That we are sorry for our sins and wish to repent of them.

That through the cross we are sealed for Christ.

That through the cross we are redeemed and saved.

So at the start of Lent (Ash Wednesday) please join us in church as we start our journey towards Easter.

The Rector Writes:

Sometimes people send me, as I'm sure they do you, things through on the internet, and this came to me recently and I thought it was worth sharing:

What Love means to a 4-8 year old: Slow down for three minutes to read this. It is so worth it. Touching words from the mouth of babes. A group of professional people posed this question to a group of 4 to 8 year-olds, 'What does love mean?'

The answers they got were broader and deeper than anyone could have imagined. See what you think:

'When my grandmother got arthritis, she couldn't bend over and paint her toenails anymore.

So my grandfather does it for her all the time, even when his hands got arthritis too. That's love.'

Rebecca- age 8

'When someone loves you, the way they say your name is different.

You just know that your name is safe in their mouth.' Billy - age 4

'Love is when a girl puts on perfume and a boy puts on shaving cologne and they go out and smell each other.' Karl - age 5

'Love is what makes you smile when you're tired.' Terri - age 4

'Love is when my mummy makes coffee for my daddy and she takes a sip before giving it to him, to make sure it tastes OK.' Danny - age 7

'Love is what's in the room with you at Christmas if you stop opening presents and listen.'

Bobby - age 7 (Wow!)

'If you want to learn to love better, you should start with someone who you hate,'

Nikka - age 6 (**we need a few million more Nikka's on this planet**)

'Love is when Mummy sees Daddy smelly and sweaty and still says he is handsomer than Robert Redford.'

Chris - age 7

'Love is when your puppy licks your face even after you left him alone all day.'

Mary Ann - age 4

'When you love somebody, your eyelashes go up and down and little stars come out of you.' (what an image)

Karen - age 7

'Love is when Mummy sees Daddy on the toilet and she doesn't think it's gross.'

Mark - age 6

'You really shouldn't say 'I love you' unless you mean it. But if you mean it, you should say it a lot. People forget.' Jessica - age 8

And the final one – A man once talked about a contest he was asked to judge. The purpose of the contest was to find the most caring child. The winner was a four year old child whose next door neighbour was an elderly gentleman who had recently lost his wife. Upon seeing the man cry, the little boy went over to the old gentleman, climbed onto his lap, and just sat there.

When his Mother asked what he had said to the neighbour, the little boy said, 'Nothing, I just helped him cry'

Out of the mouths of babes indeed!!

What does Love mean to you?

Paul

Halsall St Cuthbert's Sunday School

The PCC, the church congregation, Tara and I would like to thank the families who came together in their wonderful costumes to give an enthusiastic performance for our Nativity. A special mention is made to our wonderful 'real sized' Mary, Joseph and baby Jesus, alias the Harrington family with Noah enjoying the role of baby Jesus. Also Erin did an excellent job as the narrator, helped in part by Lucy.

Our next meetings will be on the 8th February, a Family Service on the 22nd February, the 8th March and the 22nd March.

With every best wish to all for 2015.

NEWS FROM YOUR PARISH COUNCIL

P.A.C.T. (Police And Communities Together) Meetings
Meetings are held in Haskayne Village Hall 109 School Lane with public participation. For information and the latest news visit:

<http://www.lancashire.police.uk/neighbourhood/halsall>

PARKING

Can all residents please ensure when parking not to obstruct pavements or park in bus lay-bys. Pedestrians with prams and wheelchair users need to be able to use the pavement and you should allow enough room when parking to enable them to do so.

Dog fouling on the Shirdley Hill Village Green

If anyone observes this taking place please report the matter to the Parish Clerk and let him have times and details of the dog and owner, including name if known, so that the matter can be reported to the authorities

Speed Indicators

Please be advised that speed indicators deployed around Halsall only have a battery life of 3-4 days depending upon the amount of traffic. Unfortunately mains/solar power indicators are not possible due to cost and locations as they have to be moved around 17 sites.

Parish Council Meetings

The next meeting will take place on Wednesday 11th February 2015 at 7.30 p.m. in Memorial Hall, Halsall Road, Halsall.

Please note: If you wish to make audio or video recording, or take photographs of the meeting please phone Dave Bond, Parish Clerk on 01704 534090 or email davebondhpc@aol.com in advance of the meeting so that this can be arranged in an organised manner in order to minimise any disruption.

Contact Dave Bond, Parish Clerk on 01704 534090 or email davebondhpc@aol.com in advance of the meeting to seek permission.

A full list of Councillors and contact numbers can be found toward the front of the magazine.

The Parish Council Website www.halsallparish.com includes agendas and minutes of previous meetings.

EXPLORATORY DRILLING/FRACKING FOR SHALE OIL AND/OR GAS IN HALSALL

UPDATE

The Parish Council has been advised by Tesla that the proposed seismic survey in PEDL 164 has been postponed until 2015. However Aurora Exploration (UK) Ltd. have applied to Lancashire County Council for an extension of planning permission (LCC/2014/0095) at Norris Farm, Downholland Moss Lane, Formby until May 2016, where exploratory drilling has already taken place in the green belt.

The present government is openly committed to fracking and, to assist it, they are proposing to change the law of trespass to allow the exploration companies to carry out horizontal drilling under your home without your permission. There is an official government consultation on the subject online at:

<https://econsultation.decc.gov.uk/decc-policy/consultation-on-underground-drilling-access>

The governments' stance is that extraction of shale oil and gas will be up and running by the end of this year. They maintain that it is for the good of the country and that it will bring money to local neighbourhoods. David Cameron has said:

"Companies have agreed to pay £100,000 to every community situated near an exploratory well where they're looking to see if shale gas exists. If gas is then extracted, 1 per cent of the revenue – perhaps as much as £10 million – will go straight back to residents who live nearby. This is money that could be used for a variety of purposes – from reductions in council-tax bills to investment in neighbourhood schools. It's important that local people share in the wealth generated by fracking."

It should be noted that residents in New York State opposed fracking even though they were offered 12.5%. The reason for this was due to the low yield of oil from fracking (less than 100th of conventional wells) which meant very little benefits to the community to offset the risk of environmental/structural damage even though the US government had not withdrawn the rights to individual compensation.

Your Parish Council would like to collate residents' views before the seismic survey takes place next year and a very short survey is overleaf. Please can you tear out the page and drop it off at Halsall Garage or the Pharmacy.

Alternatively If you would like it to be collected please call Maureen on 07542688744.

HALSALL WORKING GROUP – SEISMIC SURVEY/FRACKING

EXPLORATORY DRILLING/FRACKING

HALSALL RESIDENTS' SURVEY

From the surveys that have been returned to date, all of those who responded had heard of fracking before the survey:

- 83% DO NOT consider that fracking is good for the country;
- 88% DO NOT want to see exploratory drilling/fracking in Halsall;
- 88% DO NOT consider that the cash offered would make up for the consequences of drilling/fracking and the damage to the landscape of Halsall;
- 80% would support the setting up of a group against exploratory drilling/fracking in Halsall

The survey is ongoing and the Parish Council will continue to include the survey in the Halsall News and would urge residents who have not yet responded to do so either using the form in the Halsall News or online:

http://halsallparish.com/news_fracking_survey.html

URGENT NEWS: LANCASHIRE COUNTY COUNCIL CONSULTATION

This is currently a joint consultation between Lancashire County Council, Blackburn with Darwen Borough Council, and Blackpool Council. LCC describe this as follows:

The three authorities are producing supplementary planning guidance for onshore oil and gas developments, to provide guidance on the implementation of adopted development plan policy as it would apply to onshore oil and gas exploration, production and distribution.

In other words, they are in the process of making decisions which will determine/expand upon how they will deal with planning applications for exploratory drilling and fracking under the existing Local Plan.

The Parish Council commented under the scoping consultation last year and a draft supplementary planning document has been prepared, which is up for comment (also a Scoping Consultation Outcomes Report, and a Screening Statement for Strategic Environmental Assessment) on the LCC website:

<http://www3.lancashire.gov.uk/corporate/consultation/responses/response.asp?ID=259>

The documents are also available in public libraries. **This consultation only runs for 8 weeks from the 5 January 2015 to the 2 March 2015.**

A recent email from LCC also mentioned the minerals and waste planning policy. This would presumably cover disposal of drilling/fracking waste. It is also on the LCC website:

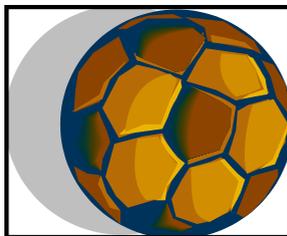

<http://new.lancashire.gov.uk/council/planning/local-planning-policy-for-minerals-and-waste/>

COMMUNITY MEETING AT HALSALL MEMORIAL HALL – LAST WEEK IN FEBRUARY 2015

The Parish Council/working group is inviting speakers to address a community meeting to be held before the end of February so that residents can be advised of the current position as regards the proposed seismic survey by Aurora and informed of the possible effects of the supplementary planning guidance. There will also be an opportunity for residents to express their views on the whole subject of exploratory drilling/fracking. **The meeting will be between 23rd/27th February and will be advertised on noticeboards and at the Pharmacy and Halsall Garage. Please look out for this.**

Halstall St Cuthbert's : February Update

Christmas Concerts

I am pleased to announce that the Christmas Concerts and the reception Nativity were very popular once again. The children did brilliantly and the staff worked so hard and we should all be very proud of them. It was a great effort!

Altogether, we raised over £2,000 for the charity War Child.

Many thanks to everyone who came along to watch, to the PTFA and anyone who helped out by donating goods or their own time.

Admissions

The deadline for primary school admissions is now very close.

Our new reception teacher Miss Leggett, is busy creating a wide range of exciting outdoor opportunities including a mud kitchen, wellie walk routes, shrub dens etc. They look absolutely fantastic and the children love them.

She would welcome any prospective parents who would like to see the reception class in-action! If you are interested, please contact school. 01704-840253

For anyone applying for a reception place in September 2015, please refer to the school's agreed Admissions Criteria and note the importance of a faith reference/commitment.

If you need any further clarification or you have a query, please do not hesitate to contact us. We will do all that we can to help.

Building Work

- The staffroom extension work is now well advanced. The project should be completed by the end of February (fingers crossed!)
- We have had the fruit and vegetable garden redesigned and it looks fabulous. It's now much more user-friendly and hopefully the 'Environment Group' will be growing some wonderful specimens in the summer months. Mrs Galley has lots of plans and it should be great fun.

- We've now repainted the infant cloakroom area and it looks clean and bright. We now need to paint some flowers on the girls' cloakroom walls. (are there any artistic volunteers out there with some spare time!)

The dining room has been repainted.

Future Projects

- Levelling, resurfacing and relining the school playground.
- Covering the activity trail surface with wood chipping to create softer fall area.

OFSTED

We are still anticipating a visit from OFSTED as it's been 6 long years since our last inspection. In that time we've generally maintained standards well above the national average in all areas. (except for the blip in boys' writing last year)

We are very confident that this year, the standard; reached by both our present year 6 pupil; and the reception pupil; will be extremely high and that attainment level; will be significantly above the national and LEA averages.

Cathedral Visit

The children and staff are looking forward to our cathedral visit in March. It should be a fabulous day out.

We'll have a guided tour, workshops about stained glass windows and icons, a Baptism event, there'll be opportunities for some Christian story role play, the year 6 will be scaling the cathedral tower and we'll also timetable an act of worship. Hopefully we take some wonderful pictures to display on our website.

Kidz Club

During the recent inspection, the Kidz Club was highly praised for its :

- Effective safeguarding procedures and the safe learning environment.
- Positive, friendly environment where children feel valued.
- Effective relationships with parents/carers.
- Planning of activities, paying heed to what pupils enjoy, listening to their ideas and helping them grow in self-confidence.

Gardener`s Corner

February at-a-glance

The first signs of spring are starting to appear if you don't mind going out to look for them! February is a subtle month with catkins and the first bulbs cautiously pushing their heads above the wintery earth, while keen gardeners desperately look for some real gardening to do. Happy gardening.

General Garden Tasks

Make new beds and borders

Finish off winter digging

Order plug plants

Prune certain types of clematis – refer to a good gardening book for exact advice

Renewal – prune old shrubs, deciduous hedges and climbers

Brush snow off conifers, large evergreens and hedges to avoid splaying or breaking

Move deciduous trees and shrubs (ideally do this in November or early March)

Plant lily-of-the-valley crowns

Keep deadheading any winter flowering pansies or polyanthus in tubs and hanging baskets

Water and top-dress plants in year-round tubs and container grown herbs

Prepare soil ready for sowing, covering it with polythene sheeting to warm it up for early vegetables

Plan shallots and Jerusalem artichokes.

Prune autumn-fruiting raspberries now, and plant new canes between now and mid-march

Protect strawberries with horticultural fleece

Finish winter-pruning standard apple and pear trees

Ventilate the greenhouse at every opportunity, but water as little as you can get away with

Pot up stored dahlia tubers and lily bulbs

Spray fuchsias with water on fine days to start them back into growth

Chit potatoes if you didn't get chance last month

Take precautions to make sure your pond never freezes over entirely

Get-a-head

Prepare the greenhouse before the season gets fully underway –clean water storage barrels, watering cans, pots and seed trays, propagator and greenhouse glass

Plants in their Prime

Hellebores, Hamamelis, Viburnum, Mahonia japonica, Sarcococca, Skimmia japonica `Rubella, Clematis `Freckles`, Jasmine, winter- flowering pansies, Saxifraga apiculata, Daphne mezereum, Abeliophyllum distichum (white forsythia), Sempervivums

Bulbs – Iris reticulata, Crocus, Narcissus (varieties) scilla, Anemone blanda
