The website for the St Cuthbert Church community can be viewed at www.halsallstcuthberthub.co.uk

The website contains information about services and events, archive material including school reports, Halsall Parish Magazines dating from now and back to the 1800's, information and other general news updates.

It also provides a link to Virginmoneygiving.com where it is possible to donate to us online. On the spot updates are also available via the Facebook page.

We would love to hear from anyone who may wish to suggest other content that would be relevant and of interest to the community.

General enquiries about the site can be directed by e-mail to: info@halsallstcuthberthub.co.uk

Hello,

Thank you for following the magazine on line during the Coronavirus emergency. We are keeping everything crossed that the next issue of the magazine due out on 1st September will be back to normal in print, and delivered to homes in the Parish.

This is of course dependent on the circumstances in August and September.

I am looking forward to once again including all the regular notices, articles and reports.

If you have any articles, notices or reports for the magazine please e-mail them to me at **susanroberts2805@aol.com** by Monday 17th August for inclusion in the September magazine.

Also if you have suggestions of any possible new topics for inclusion in the magazine please contact me at the above e-mail address.

The deadline date for adverts for the September magazine is also Monday 17th August.

Wishing you all a peaceful, healthy summer.

Susan Roberts

Rev Dr Alex Baker
St Cuthbert's Church.
June 2020

Dear Friends,

As I write this I feel like shouting "Land Ahoy"! The last few months have seen our parish, the church, the country and indeed the world change at a very rapid pace and in dramatic ways in order to counter the threat of the Coronavirus. That change has brought with it a sense of turbulent seas and on occasion the need to batten down the hatches. But I think I can, at long last sense hope on the horizon. The government has issued new guidance and the Church of England is fully engaged in the process of risk assessments and planning so that we might be able to open our church more fully again. I expect more announcements in the near future as to when and how this can happen. Currently the church can be opened on request for private prayer and if anyone would like to access the building to pray please contact Stephen our Church Warden.

If you have been joining us for the Sunday Zoom worship some of you will know that last weekend we watched a message from Bishop Bev who, rejoicing in Glen's change of role from reader to Curate, emphasised the continuance of our church. In her words "Our buildings may be closed but our church remains open". One of the great joys over the last few months that has given me hope has been witnessing how our Church and community have pulled together in amazing ways to offer care and support for one another. The turbulent waters have meant we have had to change course frequently and try many new things. It is a wonderful witness to the commitment of our congregation that so many of you have been able to join in as we try new ways of worship online. Who would have thought 6 months ago that so many would have been able to learn the new IT skills, cope with the change in format and style and engage in these new ways of doing things? Whilst I hope that we will soon get back to something more closely resembling normal I hope and pray that that sense of commitment, community, willingness to try new things and resilience will stay with us. Speaking of new things, I bring news of great joy!

I have the great pleasure of formally announcing Glen's change of role. Glen who is well known to you all as one of our readers has been working phenomenally hard to cram a three-year ordination course into two and has now been duly licenced to our united benefice as Curate. It is the first time in history that the diocese has licenced curates before their ordination, but that is just another of the 'corona-quirks' requiring change. God willing Glen will be ordained deacon in just a few months time and will be priested as planned next year.

Finally, it gives me great pleasure to announce the arrival of **Rev Ian Hopkins** who will come to us with a Bishop's licence as our new Interim Minister. Ian has previously been Vicar and Rector of one of the largest churches in Edinburgh. Indeed, it was to Ian's church I was sent on one of my placements as an ordinand. Ian has been specialising in interim ministry for some years and brings with him a wealth of experience and expertise in helping parishes like ours prepare for their next incumbent. If all things go to plan Ian is due to start in the benefice on the 14th of July and is likely to be with us for 2 years or so. With you I look forward to being able to welcome him to our wonderful parish and hopefully soon into the magnificent building.

Please continue to pray for Ian and Glen and for our united benefice as we seek to grow together in faith and discern God's will for ourselves, our parishes and our communities asking God for a bigger Church making a bigger difference with more people coming to faith and more social justice in the world.

Yours in Christ,

Alex

The Curate writes...

Hello everyone, by the time you read this letter I will have been licensed to our United Benefice as a Curate, and this is something entirely new, as because of Covid19 and the lockdown, ordinands have been unable to be ordained. This caused a rapid rethink as many ordinands were due to move to parishes and new homes.

The Bishops and the legal people came up with a clever plan, and so we become licensed as curates before we become deacons, which will hopefully be at the end of September in Liverpool Cathedral.

Strange times, so many changes and the churches as they have throughout the centuries have needed to adapt, and I'm proud to say that in this benefice we have. Whoever thought so many people would join for a Zoom Service on Sunday Mornings, followed by chats and a coffee from our own living room. Wonderful to realise too, that we have some people joining in our worship who are new to church.

Now I'm often asked won't it be wonderful to be back in our beautiful church and of course it will, but, we will still need to demonstrate the amazing flexibility that we have shown so far! It will be different, and it will be some time before so many of the things we hold dear about our worship are able to resume. We've shown we can do this, we in our benefice have shown we can manage the changes. We have shown the richness of our communities, the strength of our faith and so much care for each other. There will be changes, but we have proved we can do change and thrive.

I am so happy to be licensed as a curate to this wonderful benefice and humbled by the friendship and support I have been shown from the ministry team and both churches, thank you all so much. Please keep me in your prayers as I shall keep you in mine, as we move forward together to embrace whatever changes and challenges lie ahead as lockdown eases.

Best wishes Glen.

This prayer has been passed to me by Joe Croft who many of you will know as a member of St Thomas Choir. He has found it great comfort over the years, and he hopes that if you live alone you will too.

Glen

A Prayer if you live alone.

*I live alone Dear Lord, stay by my side.
In all my daily needs, be thou my guide.*

*Grant me good health, indeed I pray,
To carry on my work, day by day.*

*Keep pure my mind , my every deed.
Help me to be kind in my neighbours need.*

*Spare me from evil, floods and fire
That I may strive and never tire.*

*If sickness or an accident befall,
Humbly Lord I pray hear thou my call,*

*And when I'm feeling low and in despair,
Lift up my heart and help me in my prayer.*

*I live alone Dear Lord, and have no fear,
Because I feel your presence ever near*

Amen

News From Your Parish Council

The Government have now issued the regulations that give local authorities greater flexibility in the conduct of meetings, including allowing members to attend remotely, and for public and press access to those meetings. These 'Regulations' (The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020) came into force on 4 April 2020.

The next meeting of Halsall Parish Council will therefore take place on Wednesday 8th July 2020 at 7 pm using ZOOM and the agenda will be published on the www.halsallparish.com website at least 3 clear working days before the meeting is due to be held.

Please note that until such time as Government advice changes the Council will continue to hold remote meetings.

Members of the public who wish to attend should follow the guidelines listed below.

Before the meeting:-

1. The Agenda will be placed on the website and on the notice board (if possible) as normal (i.e. with three clear days of notice).
2. Any member of the public and press who wishes to attend the meeting will need to download Zoom. Please visit <https://zoom.us/meetings> where you will be able to download the App. The website gives tutorials and demonstrations on how to download Zoom and how to join meetings.
3. The Clerk will put a link, on the website, to join the Zoom meeting by 5pm on the day of the meeting. The Clerk will also include the meeting ID and password. For the Planning Committee meetings the link will be posted by 5pm the evening before.
4. The Clerk will upload to the website the full set of papers (other than for the Planning Committee) to support the meeting the day before the meeting.

5. Members of the public are welcome (as usual) to send any questions or comments to the Clerk prior to the meeting via email to davebondhpc@aol.com or by calling the Clerk on 01704 534090. These must be received by 5pm on the day of the meeting. The Clerk will present any representations received to the Councillors to address.

The meeting:-

1. The Chair of the Council will Chair the meeting.
2. The Clerk of the Council will host the meeting on Zoom which will be recorded (please note that once the minutes have been approved at the next meeting the recording will be destroyed)
3. Members of the public will enter a “waiting room” on Zoom and wait for the Clerk to approve their attendance. It would be helpful if members of the public could “name their videos” so that the Chair and Clerk can refer to them correctly.
4. All attendees will be muted on entry to the meeting.
5. Members of the public will be able to make representation during the public forum.
6. Members of the public will be asked to “put their hand up” using the icon on Zoom if they wish to speak during the public forum.
- 7 The Clerk will “unmute” members of the public who wish to speak at the instruction of the Chair.
8. At the conclusion of the public forum the Clerk will “mute” all members of the public.
9. The required standards of behaviour and discussion are the same whether in remote or face-to-face meetings. Members of the public who use or display inappropriate or offensive language and/or behaviour will be removed from the meeting to the waiting room. This includes any inappropriate backdrops on display on the video.
10. The Council will discuss, via email, prior to the meeting any items which are considered sufficiently confidential as to warrant exclusion of members of the press and public under the provisions of The Public Bodies (Admission to Meetings) Act 1960 and will advise, if appropriate, of the outcome of any discussions at the meeting.
11. The Clerk will end the ZOOM meeting once business has been concluded.

After the meeting

1. The Clerk will take the minutes of the meeting as usual.
2. Members of the Council and the Clerk will review how the meeting went and may make some changes to the process if necessary.

HELPING CHILDREN IN WEST LANCS

Parents and carers have done really well looking after children during the Coronavirus pandemic. We want to support you to enable you to continue. It is important to us that you know where to turn if your child is unwell or you need advice.

Report from Halsall St Cuthbert's Primary

Admissions and Staffing

In September, we have 23 new children starting in the reception class. The staff have been busy preparing and sending out welcome packs, to help parents best prepare their child/ren for the big day. We're confident that they'll all have a brilliant time and love coming to school.

Staffing for the academic year 2010/2021 remains the same. We are lucky to have such a secure and stable staff that is committed to giving our children the best start to their education. Many thanks to them all.

Key Worker Childcare

The school has continued to open each school day since lock down in mid-March, to provide childcare for the children of key workers. This provision has continued through both the Easter holiday period and the Spring Bank holiday period, including 2 bank holidays. Members of staff have shown excellent commitment to this key worker initiative, supervising on a rota basis, delivering short lessons in the core subjects and planning a wide variety of exciting activities to keep the children busy and entertained. Those that have attended have really enjoyed themselves and have made lots of new friends.

School Re-Opening and Year 6

As you will be well aware, the government intended for schools to re-open to Reception, Year 1 and Year 6 pupils on 1st June. Such an initiative was dependent upon its 5 strict conditions regarding the pandemic, being met. Lancashire's Director of Public Health was concerned that these conditions had not been met in Lancashire and subsequently schools were advised to delay any return. Following a further review however, schools were encouraged to open their doors to more pupils from Monday 22nd June. Our year 6 cohort returned on 22nd June. Our year 5 cohort then returned on 29th June.

We are so pleased that all the year 6 children returned to school WC 22nd June. It was so important that they received that boost in confidence prior to their transition to secondary school. Work that they do in this last month, especially in the areas of reading comprehension, punctuation, writing and mathematics, should certainly help them when they move on. And it'll also give them the closure that they need after a happy period learning and playing with the friends. We still have hopes of organising a short Leavers' Service at the end of the term when the year 6 will reminisce about their special times at Halsall St Cuthbert's. They'll also receive their Leavers' Bibles and Almanacs and the annual Leavers' Prizes will be awarded.

Standards

Due to the pandemic and lock down, pupil attainment could not be formally assessed through the Year 6 SATS, Key Stage 1 SATS, Year 1 Phonics and EYFS profiles. All were cancelled. No attainment data is being requested this year by the DFES.

Mrs Galley's year 6 predictions however were :

Reading	WT 10%	EXP 50%	GD 40%	90%
Writing	WT 10%	EXP 55%	GD 35%	90%
SPAG	WT 10%	EXP 55%	GD 35%	90%
Maths	WT 0%	EXP 60%	GD 40%	100%

These predicted grades show that the cohort was on track to attain excellent results in the 2020 SATS. A big well done and thanks to Mrs Galley, the staff, pupils and parents. Another fabulous and notable achievement. This data would compare very favourably against other schools, both within the LEA and nationally.

School Holidays

Both the year 4 and year 5 PGL adventure holidays and the Year 6 Llandudno trip have had to be cancelled this year. The children were so looking forward to a few days away with their best friends. Alas it was not to be. We've booked for next year already and it's a case of fingers crossed.

From all at Halsall St Cuthbert's Primary, have a healthy, happy and enjoyable summer holiday.

Take care and stay safe.

It's Scarecrow Time!!

We've had 72 scarecrows on display this year which is amazing. They are spread far and wide from the borders of Ainsdale to the borders of Aughton and the country lanes of Lydiate.

You would be lucky to see them all unless you know where to look but luckily, you can admire them from your armchair by visiting

<https://halsallscarecrows2020.weebly.com>

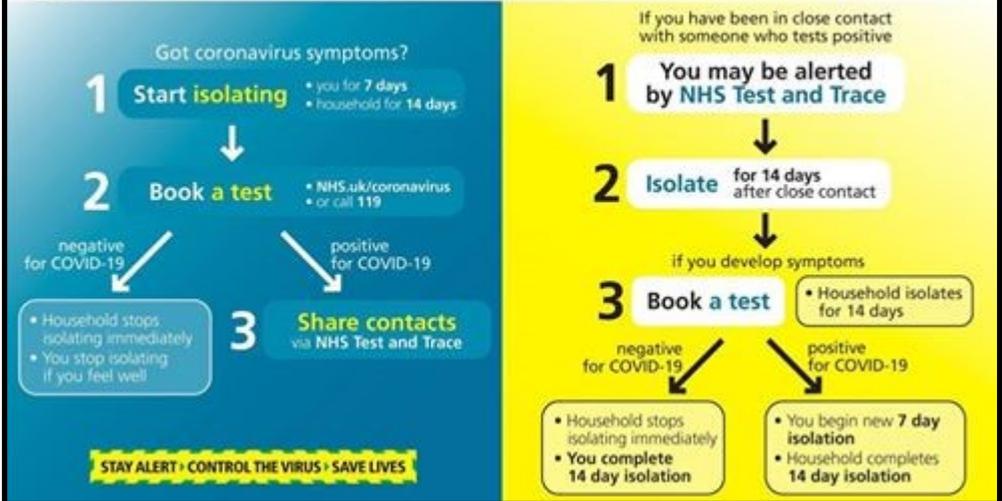

Thank you to all those who have taken part. It has been particularly difficult this year to get hold of items to use because of lockdown, but thankfully many have rallied round and come up with some wonderful ideas.

Thank you also to Norman Rigby who has covered many miles on his bike discovering them all for us to see online.

Pity we could not have our scarecrow trail weekend, but there is always next year. We have new ideas already planned for 2021 so watch this space!

Coping with stress during the COVID-19 outbreak

It is normal to feel sad, stressed, confused, scared or angry during a crisis.

Talking to people you trust can help. Contact your friends and family.

If you must stay at home, maintain a healthy lifestyle - including proper diet, sleep, exercise and social contacts with loved ones at home and by email and phone with other family and friends.

Don't use smoking, alcohol or other drugs to deal with your emotions.

If you feel overwhelmed, talk to a health worker or counsellor. Have a plan, where to go to and how to seek help for physical and mental health needs if required.

Get the facts. Gather information that will help you accurately determine your risk so that you can take reasonable precautions. Find a credible source you can trust such as WHO website or, a local or state public health agency.

Limit worry and agitation by lessening the time you and your family spend watching or listening to media coverage that you perceive as upsetting.

Draw on skills you have used in the past that have helped you to manage previous life's adversities and use those skills to help you manage your emotions during the challenging time of this outbreak.

Gardener`s Corner

July & August at-a-glance

July is peak flowering time for most gardens, while August is the culmination of months of effort. The garden is a paint box of summer colour, herbaceous borders zing with colour, bedding plants are blooming fit to bust & hanging baskets are full to the brim & in full swing.

And if you fancy a change of scene, it`s a great time to go garden visiting.

Summer is here – enjoy. Happy gardening.

General Garden Tasks

Raise the cutting height of the lawn mower blades during hot dry spells.

Avoid watering the lawn, except a new lawn in long dry spells.

Prune & deadhead roses.

Prune philadelphus & wisteria.

Clip privet & other fast-growing hedges.

Continue taking softwood cuttings of shrubs.

Cut lavender for drying.

Keep on top of deadheading plants & perennials.

Divide old clumps of bearded irises & replant.

Plant autumn flowering bulbs.

Sow maincrop carrots, early peas, turnips, lettuce, radishes & spring cabbages.

`Stop` outdoor tomatoes.

Cut & dry or freeze herbs.

Tidy strawberry beds & grow spare plants from runners.

Harvest raspberries, redcurrants, blackcurrants & gooseberries.

Train a standard fuchsia.

Water & feed greenhouse plants more often now the weather is hotter & the containers are filling up with roots.

Provide more oxygen in ponds if necessary by thinning waterweeds or running a fountain.

Divide water iris.

Watch out for

Cabbage white butterflies laying eggs on brassica plants.

Potato blight on potatoes & tomatoes.
