As I write pancake day and lent are fast approaching with their fond and hazy memories of flipping pancakes and giving up chocolate or cake for a few weeks! In fact for the church the season of Lent was a precious time of preparation, when new Christians would complete their final studies and fast and pray ahead of their baptism on Easter day, the culmination of up to three years of preparation!

For our churches too this Lent feels like a time of preparation, as we begin to emerge from Covid restrictions and other challenges such as the recent theft and damage to the pathway.

We look forward to many things, with new appointments and our traditional village services on the summer horizon, together with a confirmation service on 20th March. But in the business and plans we must not forget the value of a time of reflection and preparation, a time for prayer and to focus on our spiritual side, a time perhaps to learn lessons, a time to deal with anything that is not right and look ahead to our next chapter with renewed strength and hope in our God's inexhaustible love.

As ever, do feel free to join us on Sunday mornings at 9.30am over the next few weeks and let Rev Alex know if you'd like information about our exciting work for children and young people at our services.

With very best wishes
Ian Hopkins
(Interim Vicar)

Halsall Scarecrows 2022

Starting Date 1st June

June is scarecrow month once again and this year is a special Platinum Jubilee year to celebrate the Queen's 70 year reign. Our theme for this year is "A Right Royal Scarecrow Ramble" and - you've guessed it - we are hoping for lots of scarecrows with a royal theme.

Kings, Queens (past & present) princes, princesses (real and fantasy - think Disney and children's books and rhymes) the crown jewels, the pop group Queen or anything at all "royal" related. How about a royal flush? Let your creative ideas loose and let's have another great display of stylish, quirky, funny characters to make people smile.

If you prefer to do something different, then please go ahead. All Scarecrows will be very welcome whatever their theme.

We ask that your scarecrow goes on display by 1st June so it will be display over the Bank Holiday Weekend and for the whole month. On Fathers Day weekend - 18th & 19th June - we will be holding our fundraising Scarecrow Trail around the centre of the village with lots of activities for children to do. It was a great success last year and raised much needed funds for our Halsall Village Proud & Tidy Group.

Please get in touch if you would like to know more or can offer any help
Thank you

Supporting St Cuthbert's Church

The website for St Cuthbert's Church can be viewed at

www.halsallstcuthberthub.co.uk

This website contains information about services and events, archive material including historic school records, up to date Parish Magazines as well as those dating back to the 1800's. On the spot updates are also available via the St Cuthbert's Facebook page through which direct messages can also be sent. There are several ways in which you can support the Church:

Parish Giving Scheme

Regular giving can be set up very easily by searching:

www.parishgiving.org.uk

and look up St Cuthbert's Halsall (there is also a link on our website). You can choose how regularly, how much and whether your donation can be gift aided. Your gift will then be passed directly to St Cuthbert's.

Friends of St Cuthbert's

Donations can be made to our "friends" scheme and the form can be downloaded from our website (Friends link on the home page). All funds raised through this scheme are directed specifically towards the repair and maintenance of the Church and grounds. There is a minimum donation of £20 per year but you can choose how much and how regularly you would like to donate.

Ad hoc Donations

These can be made via the collection box in Church or by post.

Volunteer Support

If you have a little time to spare you may like to join our team of volunteers who help to keep the Church and its grounds tidy and clean. Please message via our Facebook page or e-mail us for further information on: info@halsallstcuthberthub.co.uk

Time to get walking again!

At this time of year we start to think about the mud drying up and getting out to walk in the beautiful English Countryside again, but where to find new and interesting walks?

Walking in Lancashire

<https://www.walkinginengland.co.uk/lancs> has hundreds of walks to download and print, free, it also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

John Harris (the custodian of the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Lancashire (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

Halsall Astronomical Events

On the invitation of Scout leader Alan Pope I had the privilege before Christmas of conducting a session on Astronomy with 16 local scouts and beavers at the village school, where with the aid of my 500mm telescope we were able to view the planet Jupiter and the craters on the Moon. When the sky clouded over we went in the hall to do a series of fun exercises about the solar system with the children taking relative positions of the planets and copying the rotation around the Sun. This session enabled the children to achieve their Astronomy badge.

There is much to view in the night sky especially in a rural area like Halsall. Often people post pictures of sunrises and sunsets which are remarkable. Pictures of the night sky are more difficult to obtain and yet since my arrival here thirty years ago and despite the increase in light pollution, I have witnessed amazing phenomena including breathtaking views of the aurora borealis (Northern lights) especially the night of 6th April 2000 which lasted from 9.30pm to 4.00 am. In November 1993 there was an amazing meteor storm with meteors visible every 10 seconds from midnight. The year 1997 we were visited by the very bright comet Hale- Bopp which was visible to the naked eye and hung for several weeks in the western sky after sunset.

The total eclipse of the Sun in 1999 was not visible from Halsall. I was fortunate to be in France but a partial eclipse covering most of the Sun was seen in the north west under clear skies. In November 2001 another great display of aurora was visible here from dark locations. In 2003 there was a conical zone of light after dark above the horizon which is called zodiacal light. The year 2004 saw a transit of Venus under clear skies. The transit is a very rare event and was discovered by Jeremiah Horrocks in Little Hoole north of Tarleton in 1639. The village church of St Michael, which is usually open and welcoming, commemorates the event in a stained glass window. There have been several lunar eclipses when the Earth casts a shadow on the Moon but these are regular occurrences and on 25th March 2015 there was a partial eclipse of the Sun during glorious weather.

Though light pollution is now a considerable problem even in rural Halsall there is much to see on a clear night if you persevere, not least meteor showers and planets and eyes to the north on clear nights because we are entering a maximum for solar winds which give more instances of Northern lights.

I run a jigsaw club from my home in Scarisbrick. I have over 200 jigsaws available to lend out which has proved very popular during lockdown. I read that the virus can stay on cardboard for 24 hours so all jigsaws are quarantined for 72 hours before being lent out. Being close to the Morris Dancers, I am well positioned for people to swap jigsaws on their journey to/from hospitals/shops.

Its free to join and free to borrow. We just ask for a donation of a jigsaw then you can borrow and return as many jigsaws as often as you like. I have done over 60 jigsaws since lockdown began so it has saved many of us a lot of money. I have attached the link below.

<https://www.facebook.com/groups/1526267210867010>

If anyone has any jigsaws they could donate,
I will happily collect. Thank you.
