St Cuthbert's needs you!

We are looking for someone to serve as Church Treasurer.

Are you someone who has a good knowledge of figures and who would like to support our beautiful mediaeval church?

We are looking for a volunteer who will support the aims and values of St Cuthbert's Halsall and is sympathetic to the Christian faith, but does not have to be part of the governance of the church (unless they wish to be).

The role is voluntary and is estimated to involve between 4 and 8 hours of work a week . There will be training and support from the outgoing treasurer, including on the on-line accounting system and church policies and procedures. There will also be opportunity to meet and gain support from treasurers from other churches in the Ormskirk Deanery.

Appointment will be via interview and references will be needed.

Initial enquiries to Colin Throp (Treasurer) or Susan Salt (Rector)

The Rector Writes

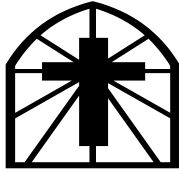

It is sobering to recognise that I am at that stage in my life where there is far less time ahead of me than the time I have lived. So, what should we do with the time left to us, however long or short? A question that we all grapple with, regardless of our age or circumstances; whether we are relatively fit or struggling with ill health, whether we have lots of resources or relatively few. What are we doing with the time we have been given? Is what we are doing constructive, enabling us and those around us to flourish?

Our time is a gift not a right. Having time is a blessing even in the most challenging circumstances, for time allows us the chance to change and to be an agent of change. Time allows us a chance to bless and be blessed. Time is the most precious resource each of us is given. Often, fear stops us using our time as well as we might, or as God longs us to. Fear of making a fool of ourselves, fear of wasting time, fear of being taken advantage of, fear that things will not turn out the way we expected. Yet when we take a risk and use our time to help others, we can often be surprised by what happens next. Those acts of kindness, random or otherwise, have a habit of multiplying.

Our time, whether we are just starting in reception class at school or about to retire, whether we are doing things for the first time or the millionth, is a gift to others as much as it is a blessing to us. Giving time to family and friends, giving time to our community, giving time to worship, giving time to pray, giving time away - blesses others and blesses us.

So at the start of a new academic year, and as we look forward to saying thank you for another harvest safely gathered in, let's strive to use our time wisely and generously.

Prayers and blessings, Susan

Service in the
United Benefice for
September 2025

As we mark the beginning of a new academic year let us give thanks for all those who have inspired and guided us in our own lives and resolve to be good role models to those around us.

A HUGE THANK YOU.

With your help ST. CUTHBERT'S HALSALL has already managed to raise £26k of the £40k we need to create disabled access to the church and graveyard, and start the process of applying for grants to repair the West Window, roof and much more...

We are hosting a number of community events over the coming month, advertised elsewhere in the magazine, to help us get to our target.

In addition to supporting those events please consider giving either a one-off donation or a regular gift to St Cuthbert's via

PARISH GIVING SCHEME

as all the money goes directly to us and we can claim gift aid on it if you are a UK taxpayer. This QR code will take you directly to our page.

FRIENDS OF ST CUTHBERT'S

You can also support St Cuthbert's by becoming "a friend".

All the funds raised through this scheme are directed to the maintenance and repair of the church building and grounds.

There is a minimum donation of £20 per year to join, but you can then choose how much and how regularly you donate.

For further information please contact info@halsallstcuthbert.co.uk

Thank you for supporting us.

Without you we cannot be the church we aspire to be.

Results from the Community Survey conducted in May and June 2025

St Cuthbert's are really grateful for everyone who took the time to complete the community survey as part of our weekend of events in May.

70 Adult responses (online + paper) were received

88 Children's responses to a separate children's survey (via school)

Those who completed the survey and asked to have a copy of the results should have received a summary by email. If you would like a copy please contact Susan via her email and she will forward one to you.

It was encouraging that the majority of people who completed the survey valued the church as a place of worship in the village and wanted it to be open more often for quiet reflection. People also appreciated the graveyard as place to come and spend time.

There is much for the parochial church council (PCC) to ponder.

Individual volunteers have remained busy over the summer litter picking, sweeping up and weeding around the village and in Bishops Walk. Thank you to all those who have quietly got on with the jobs which needed doing. Another communal event will be organised soon and details will be posted on Halsall Facebook Community page and emailed to the volunteers we have on our list.

We know that we have not reached the second round of judging so will not be awarded placing in this year's competition for the village as a whole. However, we still stand a chance of being placed in the Outstanding Features Class for the Cricket Grounds, the School, The Heritage item and the Saracens Head. Results are announced in October so fingers crossed until then.

WILD & SEEK

Wild & Seek is a nature-inspired play space designed to nurture children's growth through outdoor, child-led play. Rooted in the latest research on child development, they provide a safe and engaging environment where kids can explore, take risks, and build confidence.

We offer 90-minute "Stay & Play" sessions for children aged 0-6, featuring open-ended natural materials, opportunities for movement, and spaces designed to foster creativity, social connection, and independence. We're open 7 days a week, with sessions running at 9:00am, 11:00am, and 1:30pm.

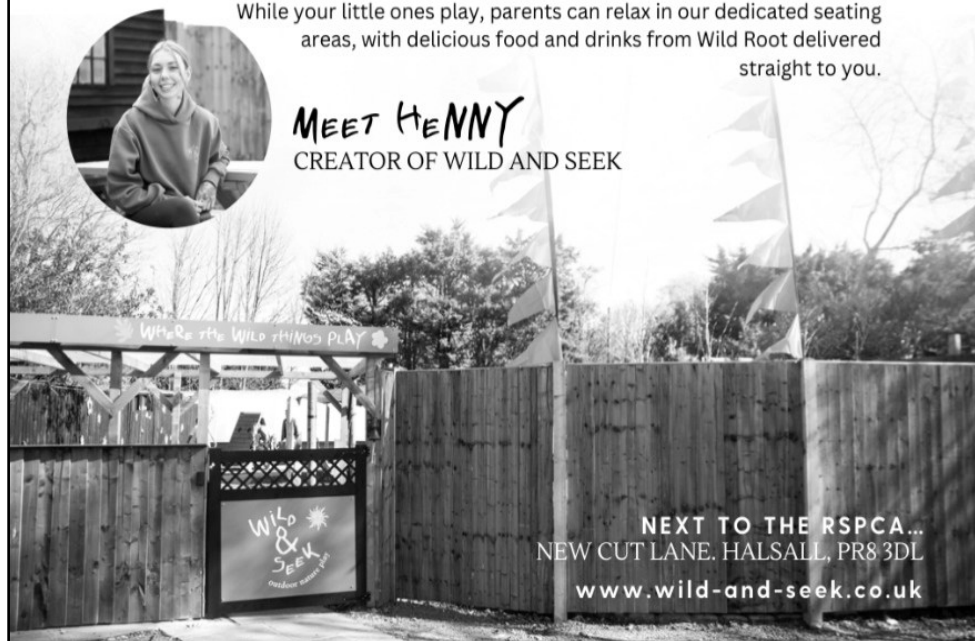

WHERE ARE WE BASED?

We are based at Wild Root. Wild Root is a plant-based café located on New Cut Lane, Halsall, proudly rooted in our community. Many members of staff, including the owner Charlie, and Wild & Seek creator Henny grew up in Halsall, attended St Cuthbert's Primary School, and remain deeply connected to the local community. In fact, Charlie and Henny are siblings with a shared passion for creating enriching spaces for families.

While your little ones play, parents can relax in our dedicated seating areas, with delicious food and drinks from Wild Root delivered straight to you.

The Bees and Butterflies Brigade

Do you remember the time when you last saw a red squirrel in our village? I know that some of you do, but often you tell me that it was more than 20 years ago. This fits with my memories of feeding red squirrels with my children in Formby woods – it was a peanut fest! Since the years when squirrel pox devastated the Formby squirrel population, The National Trust encouraged the squirrels to disperse from the Formby area. Disappointing if you want to see red squirrels in Formby but maybe not such a bad thing for us in Halsall..... there are red squirrels not far away from us in Dam Wood, Scarisbrick and they have been spotted in Shirdley Hill. Which makes me hope that there is a real chance we may see them back in Halsall one day.....

No matter your experience level, we have a place for you.

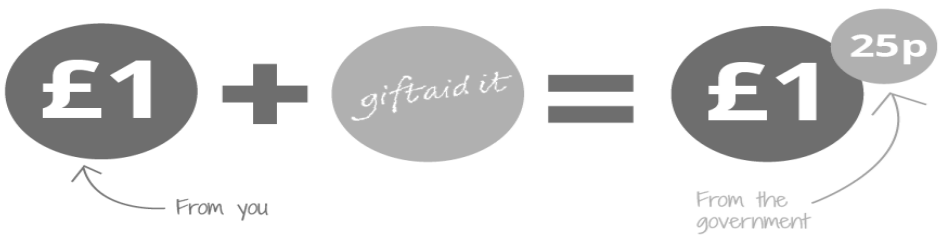

Pre-season begins in July; games start in September.

The Recreation Ground was purchased by the residents of Halsall in 1949 and became a Charity in 1964. In 2008 the Parish Council became responsible for the administration of the Charity, but it is still held in Trust for the residents of Halsall (it is not owned by the Parish Council).

The 'Trust' needs to raise £20,000 per year to meet its costs to cover the Hall, the Café, Snooker, Cricket & Football facilities as well as the children's playgrounds and open recreational space.

Gift Aid is a potential new source of income and this last year we were able to claim £176 from HMRC based on donations received. This has the potential to be a significant source of income. You send us £2.00 and the taxman sends us another 50p.

With digital banking it only takes a few minutes to setup a small monthly donation. We need your name, address including postcode in case the HMRC want to check that you are a UK taxpayer. (They do not contact you). We will then send you our sort code and bank account number.

So please contact us at **HalsallTrust@gmail.com** and agree to pay a few pounds per month and help support the Recreation Ground and its facilities.
