A HUGE THANK YOU. Working together we can do amazing things.

With your ongoing support for ST. CUTHBERT'S HALSALL we have reached **£38k** of the £40k target we set.

The disabled access to the church and graveyard, should have been completed by the time you read this.

THANK YOU. Without everyone's efforts this would not have been possible.

Now we need to start the process of applying for grants to repair the West Window, roof and much more... please join us in ensuring that we continue to build community and serve each other so Halsall can continue to be a great place for all to flourish.

In addition to supporting community events like the recent Duck race and the upcoming School Summer Carnival, Church Summer concert of Renaissance music and the Parish Summer fayre on the memorial hall field please consider giving either a one-off donation or a regular gift to St Cuthbert's via

as all the money goes directly to us and we can claim gift aid on it if you are a UK taxpayer. This QR code will take you directly to our page.

FRIENDS OF ST CUTHBERT'S

You can also support St Cuthbert's by becoming "a friend".

All the funds raised through this scheme are directed to the maintenance and repair of the church building and grounds.

There is a minimum donation of £20 per year to join, but you can then choose how much and how regularly you donate.

The Rector Writes

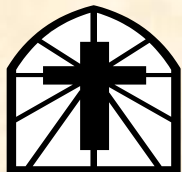

It's that time of the year when change is in the air. Crops are rapidly growing and there is new life everywhere. With the lengthening days there seems to be so much to explore and discover. For some, early summer is the season of examinations and end of term assessments. For others, it is the time for a well-earned break. For many young adults it will be the time that they are looking to new horizons as they think about college, university, an apprenticeship, or embarking on the first steps of a career.

Change, even when brought about for good reasons, is unsettling. Facing change is even more difficult when forced on us through losing a job, ill-health or the death of someone important to us. It can feel like the world is against us and that no one cares. For many, the sense of overwhelming despair and isolation is hard to bear. Our faith calls us to be alongside each other in times of change. Not to offer advice or solutions but to listen and be enriched by our mutual story telling.

The Bible recognises that change is unavoidable and does not shy away from acknowledging how hard it can be. The Psalms in particular speak of the astonishing highs and profound lows experienced by their authors as they cling to faith through turbulent times. Many reflect a determination to trust in God's promise that He is always with them, even in the most challenging circumstances.

We are living through a time of huge change and upheaval. From artificial intelligence to social media, from drone warfare to climate change. We are living in a time where angry voices appear to dominate public conversations both in society and in the church. We need to hold on to God's promises and place our hope in Him who stands by us amid the uncertainty. For us that must mean continuing to be thankful, generous and hospitable, valuing everyone in our church and community and their stories of hope and challenge.

Susan

News from Halsall Parish Council

Events and news

These are posted on Halsall Parish Council, Halsall War Memorial Playing Field and Hall Trust, Halsall Village Community Forum and the Shirdley Hill Community Association Facebook pages.

Parish council news

At the Annual General Meeting of Halsall Parish Council, Mary Lyons and Noel McCarthy-Thomason retained their posts as chair and vice-chair respectively. All councillors were allocated to a range of working groups to support the various parish council functions.

At the May meeting, West Lancs Borough Councillor Alex Blundell mentioned that changes will take place over the next few months in preparation for the transformation from a two tier to a unitary authority. We will keep you informed of any major alterations. For now, if you have a query or there is a problem, continue to contact West Lancashire Borough Council in the usual way.

We are pleased to report that the parish council received a very good report from its internal auditor. The Annual Governance and Accountability Return is a statutory yearly financial and governance reporting document that all English parish and town councils must complete. It is scrutinised in detail by an internal auditor, and a successful audit demonstrates appropriate use of funds and adherence to legal and financial regulations.

Mr John Ferguson was welcomed as a new councillor on the parish council at the June meeting of the parish council.

Our local PCSO came along to the June parish council meeting. He listened to all our issues – mainly about traffic problems, such as speeding, improper parking and noisy motorbikes. The officer reported that he is aware of the problems and is already working with St Cuthbert's school around dangerous parking at school drop off and pick up times.

Anyone can report concerns via the Lancashire Road Safety Partnership. Their website is <https://lancsroadsafety.co.uk/>

The Bees and Butterflies Brigade

From the 17th July to the 9th August, it's time for the **Big Butterfly Count**! This is when the charity "Butterfly Conservation" encourage us to get outside and record all the butterflies we see. It's great fun and it helps the charity to build up valuable information about how our butterfly populations are faring across the UK. You can download the **Big Butterfly Count** app on to your phone if you'd like to record butterflies on your local walks. If you are a bit unsure how to use the app, or you are not confident at identifying different butterfly types, why not come and join us for The Bs own butterfly count in St. Cuthbert's churchyard? We'll be meeting there from **2pm on Thursday 30th July** as long as the weather is calm and sunny. We may have to opt for one or two days before or after this date to get the best conditions for butterfly spotting. If you are not a member of The Bs but want to join the count, please email me for last minute arrangements. We'd love to have you along.

**Would you like to slow down for a moment and feel better in yourself?
Then do come to our August event**

Closer to Nature

**on Sunday 23rd August
2pm to 3.30pm
St Cuthbert's Memorial Garden**

We know that being in nature is good for us - but what happens when we go a little deeper? Research shows that mindful nature connection - slowing down, engaging our senses, and opening to wonder - can reduce cortisol levels, lower blood pressure, improve mood, and restore our capacity for attention and creative thinking. But this session isn't just about what nature can do for us; it's about developing a relationship that benefits nature, too. When we take time to truly connect with the natural world, something shifts - we begin to notice more, to care more, and that caring naturally flows into loving action.

Closer to Nature will be a guided experience to gently support you to slow down and move out of the busy mind and into the body - through the breath, feeling your feet on the ground, and engaging all of the senses. Gradually, you will move into a deeper connection with the natural world around you. The session is suitable for anyone - no previous experience is needed, just a willingness to slow down and be curious. Please bring a folding chair or cushion for your own comfort.

The session will be guided by Marielke Riley, a nature-inspired guide and therapeutic coach who has been facilitating deep nature connection experiences since 2019, drawing on her background in psychology and her own journey back to wellbeing through nature. We are delighted to have Marielke leading this event!
